

LAND USE COMMITTEE

Virtual Meeting via Zoom

March 11, 2021 7-8pm

Zoom link: <https://us02web.zoom.us/j/88696968394>

Passcode: LUTC

- 7:00 Welcome and agenda review
- 7:05 Guest Speaker: BDNA Board Member Gail Kiely
 - a. Brentwood-Darlington Community Center history
 - b. Discussion of what we'd love to see in a community center
- 7:30 Community-beneficial development
 - a. What do we want (assuming BDCC remains more or less unavailable)?
 - b. Lay out a plan to acquire the knowledge and connections needed to bring about beneficial development (thanks to Nick Sauvie, we know where to begin)*
 - c. Also: One of the land use committee's responsibilities is to appeal proposed development that is counter to "thriving livability" in our neighborhood. What does bad development look like? (This will be an ongoing discussion.)
- 7:45 Transportation
 - a. Update on PBOT response to SE Flavel Drive speeding
 - b. Update on sidewalk infill, Ogden-Knapp greenway projects
- 7:50 Air Quality
 - a. Update on Portland Clean Air letters to polluters
 - b. Invite Greg Bourget to speak to us about Precision Castparts?
- 7:55 Trees and Parks
 - a. Update on "Soak It" week grant proposal, proposed events.
 - b. Lots of tree damage in our parks due to ice storm
- 7:50 Other business
- 8:00 Adjourn

Next Meeting: April 8, 2021

[*Recommendations of Nick Sauvie, Executive Director, Rose CDC](#)
